Program Description

Questar III's Building Trades prepares students for entry-level positions in the construction, facilities maintenance and the custodial fields. Students in the program will complete group projects that are work-based in nature, involve problem solving, utilize hands-on skills and will benefit the school and local communities.

Note: This program is held at Questar III's Columbia-Greene Educational Center only. All program classes are approximately 12 students per 1 instructor and 1 teaching assistant (12:1:1). Students requiring more support than a classroom of 12 provides, will be considered on a case-by-case basis.
