Program Description

Questar III's Career Exploration program provides students with the opportunity to explore careers in a variety of settings. Students will rotate through units in other Career Studies programs such as Auto Services, Building Trades, and Introduction to Food Services. Student will also have units in programs like Computer/Office Skills. These units will introduce basic skills of the field, program safety, occupations available, and tools used.

Note: This program will be available at both at Questar III's REC and CGEC. All program classes are approximately 12 students per 1 instructor and 1 teaching assistant (12:1:1). Any student who requires additional support will be considered on a case-by- case basis.
