**Email:** [Kerrie.Burch@questar.org](mailto:Kerrie.Burch@questar.org)

## Program Description

Coordinated Cooperative Collection Development assists schools in planning and building enhanced library collections. Each collection is designed to meet the needs of individual school libraries without unnecessarily duplicating the resources in our region. Each participating library builds and maintains a core collection of materials to support the curriculum. Materials purchased in the selected collection are chosen by the school librarian, ordered and processed through Questar III, then housed in the school library and made available through interlibrary loan to other libraries.

## Additional Information

- How To Add This Service:
- Cost Methodology: CCCD base price is \$975 with increments of \$150.
- Type of Aid: BOCES
