Program Description

Questar III's Orientation and Mobility service assists blind and visually impaired students in developing age-appropriate skills in movement and travel. The program includes direct instruction and consultation in the school, home and community. Skills are taught from a sensory/motor level with training using low-vision aids.

Additional Information

- How To Add This Service: Enroll in the service when submitting the Final Service Request (FSR) or join the service later by submitting a FSR amendment.
- Cost Methodology: Cost is determined by number of hours purchased based on staff salaries and benefits plus operating lines and a share of the infrastructure cost.
- Type of Aid: Handicapped Excess Cost
