Program Description

Questar III's Physical Therapy service provides assistance to students using strategies that facilitate gross motor development and maximum independence in the school environment. This service includes therapy that allows students to fully participate in the least restrictive educational setting. It is available September - June and as an extended year service for students enrolled in Questar III classroom programs. Note: Group will be provided when requested if two or more students in the classroom are available.

Additional Information

- How To Add This Service: Enroll in the service when submitting the Final Service Request (FSR) or join the service later by submitting a FSR amendment. All documentation as required by the Intake Committee must be submitted t
- Cost Methodology: Cost is determined by number of hours purchased based on staff salaries and benefits plus operating lines and a share of the infrastructure cost.
- Type of Aid: Handicapped Excess Cost
