Program Description

Questar III's Speech and Language Therapist screens and identifies non-CSE (Committee on Special Education) students in need of services as a result of articulation and language needs. Speech and language therapy services are delivered to such students on an individual basis as determined by the school. Therapy focuses on improvement that will allow students to be successful in the academic program. This service is provided to students within the school district.

Additional Information

- How To Add This Service: Enroll in the service when submitting the year's Final Service Request (FSR) or join the service later by submitting a FSR amendment.
- Cost Methodology: Staff salaries and benefits plus operating lines and share of the infrastructure cost divided by days of service. This service is based upon 24 hours per week of student contact time.
- Type of Aid: BOCES
