Program Description

A licensed Speech and Language Pathologist will provide speech supervision to non-licensed speech therapists working in school districts. The licensed Speech and Language Pathologist will review treatment plans and provide input to the therapist. They will also review and co-sign Medicaid reporting forms. The district therapist will be considered as working under the direction of the Speech and Language Pathologist. Administrative supervision will remain the responsibility of the school district.

Additional Information

- How To Add This Service: Enroll in the service when submitting the Final Service Request (FSR) or join the service later by submitting a FSR amendment.
- Cost Methodology: Salaries and benefits of staff plus operating lines and share of the infrastructure costs divided by the estimated pupil enrollment.
- Type of Aid: Non-aidable
